ENJOY GREATER PRODUCTIVITY WITH SKYAPP

Automated Withdrawal of Float by Cashier

Simply key in the desired amount after logging in. Denominations can be pre-configured or customised on the spot.

Self-service Disbursement of Petty Cash

Upon approval, withdraw petty cash amounts at your convenience.

Easily Accessible Web-based Portal

Administer float configurations, threshold alert emails, cash inventory and reporting anytime, anywhere.

WHY SKYAPP IS IDEAL FOR YOUR BUSINESS

Manual Process 〈 VS 〉 **SKYAPP**

Manual Process

- More manpower required
- Longer time taken for reconciliation
- Lack of proper report and cash inventory control
- Higher risk of theft and robbery

SKYAPP

- Reduced need for manpower
- Reduced chances of shortage / discrepancy, thus lessen workload
- Analyse daily reports and cash inventory data within the system
- Money kept secure in safe
