SELF–CHECKOUT PAYMENT KIOSK

Cut out the waiting at traditional check-out lanes.

reddot design award
winner 2017

Award-winning
DN Easy eXpress

DIVERSIFY YOUR CHECK-OUT OPTIONS.

SKYAPP's Self-Payment Kiosk provides an additional check-out touchpoint for customers so you can clear the queues during peak hours more efficiently. This enables you to free up your staff to engage in other important tasks like customer service.

Not only does this enhance the retail experience, it is also a cost-effective solution for your business.
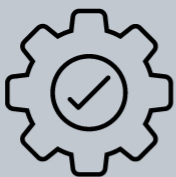

KEY FEATURES

Interactive Self-Checkout Interface intelligently up-sells set meals and side order add-ons

Self-Payment via NETS and Credit Card EFT Terminals
